UNIFORM STANDARDS

As a Neilson employee, you need to present yourself in a professional and smart manner when you are at work. Whilst we understand that there is a certain 'laid-back' look to life in our winter resorts, and we're certainly not asking you to be suited and booted at work, we do still expect you to be presentable and take pride in your appearance when wearing the Neilson uniform.

When it comes to your uniform, you are expected to:

- Wear your full uniform when you are at work
- Keep your uniform clean and smart throughout the season
- Return all uniform at the end of your contract
- Not mix personal items of clothing, such as non-uniform hats or hoodies with your uniform.

In addition to the uniform you wear, you also need to adhere to the following health & safety guidelines:

- Remove all jewellery that may get caught (e.g., rings, necklaces, bracelets, anklets).
- Facial hair must be neatly groomed or clean-shaven.
- Kitchen, restaurant, and bar staff must not wear nail polish.
- Keep nails short and clean.
- Long hair must be tied back.
